

## Machine Service & Repair

1961-C McCrays Mill Road  
Sumter SC 29150-6186

**803.316.8006** ☎

### PRICE LIST

*Effective June 1, 2018*

Basic Servicing Fee [replacement parts not included] ..... *starts at \$65*

Stage II Cleaning Fee [Includes Basic Servicing Fee, replacement parts not included] ..... *starts at \$85*

Dremel/Polishing work [utilize Dremel tool and chemicals to polish away rust, debris, etc to restore luster to the outside and proper interior workings]...*starts at \$55*

Repair costs .....Priced in addition to servicing  
Cost varies depending on parts needed

Transportation Fee [to pick up and return machine to your location] ..... \$25

Note: A Transportation Fee is not incurred if arrangements are made for your machine to be dropped off at our location – this is by appointment only so please call for details.

On-site Servicing Trip Fee .....\$125 trip fee

Fee for us to come to the machine with anticipated equipment and materials prepared to perform Basic Servicing -**Basic Servicing fee would then be charged in addition to the On Site Servicing Trip Fee** [again, replacements parts – if necessary - not included in Basic Servicing].

This service usually pertains to quilting machines or industrial machines as they are less transportable, but we will gladly service any machine at your location.

Restorations..... Please call to discuss

Parts & Accessories ..... Item Specific

We also are now able to sharpen scissors, large and small, as well pinking shears .....Inquire for pricing

We try to maintain some small parts and accessories readily-available on hand so if you'd like something, please ask. If we don't currently have what you're wanting, we can usually order it and have it to you in a few days [barring any shipping issues beyond our control].
